San Francisco, Cal. Area	15696	29.24	28.22	10.07	0.38	130	Feb. 15
Total Strength	581354						

- (a) Report of 2nd Armored Div. not received
- (b) Includes only 9th Division
- (c) Does not include report of Station Hospital

*This summary is incomplete in that reports from all stations are not included. Only larger stations, or stations representative of a geographical area are included. Fluctuations in strength at some stations, or in some areas may be the result of not having received all of the reports from those stations or areas at the time this summary is published.
